

FEATURE BRIEF

WageWorks EZ Receipts

Make It Easy for Your Employees to Manage Benefits

The WageWorks® EZ Receipts® mobile application makes it easy for your employees to manage their WageWorks Consumer-Directed Benefits. Your employees use this mobile app to submit healthcare and dependent care claims, upload receipts for payment, and check benefit account balances.

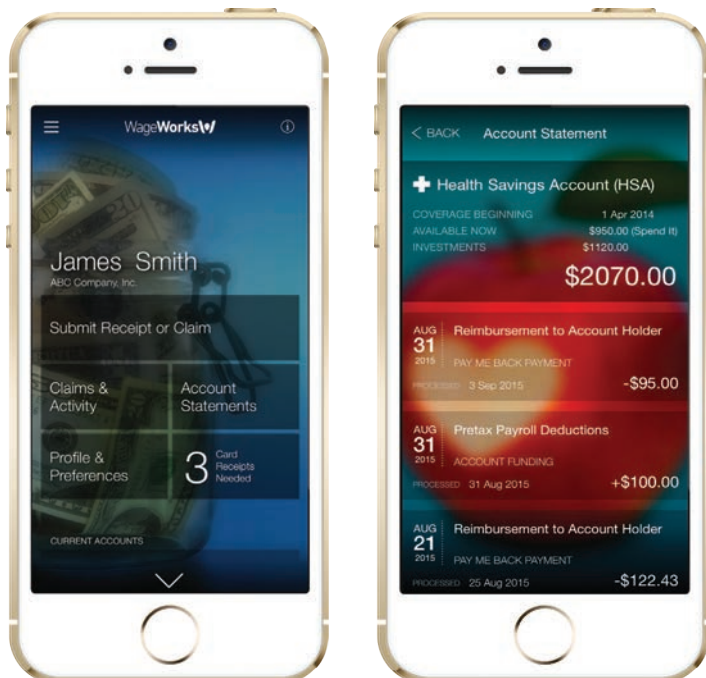

WageWorks EZ Receipts is fully integrated with the WageWorks Healthcare Card and tied to the following WageWorks Consumer-Directed Benefits:

- WageWorks Healthcare Flexible Spending Account (FSA)
- WageWorks Dependent Care Flexible Spending Account (FSA)
- WageWorks Health Savings Account (HSA)
- WageWorks Health Reimbursement Arrangement (HRA)

Employees love the convenience of EZ Receipts. This app streamlines and automates claims processing and payments. Employees can snap a photo of receipts and instantly submit them for payment and check account balances—right from their smartphones. No forms to fill out, nothing to mail in.

Key Benefits

- Robust, easy-to-use functionality helps drive employee enrollment
- Integration with WageWorks platform helps streamline benefits administration

WageWorks EZ Receipts makes it easy for your employees to use and manage their WageWorks Consumer-Directed Benefits anytime, anywhere.

Key Features and Benefits

Robust, Easy-to-Use Functionality

This mobile application's combination of robust functionality and convenient mobile access encourages employees to enroll and use their WageWorks Consumer-Directed Benefits. Employees love the convenience of EZ Receipts—it's a key driver of employee enrollment and engagement. With this mobile app, employees can use their iPhone, Android, or Blackberry smartphone to:

- File a claim and get reimbursed quickly
- View transactions and benefit account balances using a single login
- Snap a photo of receipts and submit them for payment
- Receive confirmation emails when claims are received, processed, or paid
- Receive text messages when card verification is required, a transaction is denied, or a claim has been processed
- Check account balance or card balance by text message
- Set preferences to receive account alerts by text message or email

Simplifies Benefits Administration

WageWorks EZ Receipts simplifies benefits administration. This mobile app is integrated and synchronized with the WageWorks Healthcare Card and the WageWorks Healthcare FSA, WageWorks Dependent Care FSA, WageWorks HSA, and WageWorks HRA. These benefits are built on a state-of-the-art technology platform that delivers complete, accurate, and real-time benefit account information.

This handy app makes managing healthcare and dependent care expenses quick, convenient, and easy for employees. The fact that the app is a fully integrated part of the WageWorks fully synchronized, helps streamline benefits administration and reduce administrative burden.
